TO WHOM IT MAY CONCERN

PROTECSYS GmbH, a specialist in providing video and alarm security systems has installed and updated the video surveillance & alarm system at the Permanent Mission of the Republic of Zimbabwe in Geneva, Switzerland in November 2019.

During the installation and activation process, the Permanent Mission of the Republic of Zimbabwe has found the team of PROTECSYS to be highly professional and knowledgeable about their work. They actively pursued the timeframe established mutually, while still being flexible enough to respect the requirements and functioning of the Mission. The team is always prompt to provide information about queries and has a solution oriented approach towards the execution of the deliverables.

The Permanent Mission of the Republic of Zimbabwe in Geneva has been highly satisfied with the services rendered by PROTECSYS GmbH and looks forward to continue working with them through system upgrade, maintenance and back-up services.

Yours sincerely,

G. Gwebe
